The Author

Henry Jiménez Guanipa is Venezuelan (born on 5 March 1959). H. Jiménez Guanipa studied Law at Santa María University (Caracas) and earned his Graduate Degree in Criminal Sciences and Criminology from Andrés Bello Catholic University (Caracas). Subsequently he received a Master of Law at University of Heidelberg and his Ph.D at the Rhur University of Bochum, Germany. He has taught postgraduate courses and participated in research projects in different universities and institutions, both in Europe and Latin America (including Ruhr University Bochum; Max Planck Institute for Comparative Public Law and International Law, Heidelberg Centre for Latin America; International Research Institute of Stavanger, Norway; Pontifical Catholic University of São Paulo, Brazil; UNAM, Mexico, Free Law School, México; Central University of Venezuela, Santa María University, Venezuela). He has been a visiting researcher at the Max Planck Institute for Comparative Public Law and International Law, Heidelberg, Germany, and at the Institute for Mining & Energy Law, Ruhr University Bochum, Germany. From 1992 to 2003, H. Jiménez has worked in the Venezuelan oil industry, where he held various positions and responsibilities. He participated actively in the process of the opening of the domestic market between 1995 and 1998. Therefore, has a varied and extensive practical experience in negotiation, drafting, interpretation and vetting of legal documents in the energy sector. He likewise has served as an instructor in negotiating techniques and advisor on legal matters related to the energy industry. Currently, he works in the law firm Wirth Rechtsanwälte, Mannheim, Germany.

Table of Contents

The Author 3
